SHAFFER • BAUCOM ENGINEERING & CONSULTING EXPANDS ELECTRICAL DEPARTMENT

Lakewood, CO – Shaffer • Baucom Engineering & Consulting, a full-service Mechanical and Electrical Engineering Design Firm, announces the expansion of their Electrical Engineering Department with the hiring of Ms. Jennifer Sawyer, PE, LEED AP, Senior Electrical Engineer.

Ms. Sawyer has more than 16 years of experience as an architectural engineer with an emphasis in lighting and electrical design. A graduate of the University of Kansas, Ms. Sawyer has expertise in the design of lighting systems, emergency power systems, fire alarm systems, security/CCTV systems and power distribution for commercial and institutional clients. Ms. Sawyer has extensive experience in the design of healthcare and higher education facilities, libraries, data centers and performing arts centers.

Located in Lakewood, Colorado, SBEC is a full-service Mechanical, Electrical & Plumbing Engineering Design Firm specializing in the design of healthcare, higher education, K-12 education, aerospace, industrial, and science + technology facilities. SBEC was founded in 1998 to provide superior engineering and consulting services to institutional, industrial, federal and commercial clients. More than 60% of our engineers are LEED Accredited Professionals.
