### **SHAFFER • BAUCOM ENGINEERING & CONSULTING EXPANDS CAD DEPARTMENT**

Lakewood, CO – Shaffer • Baucom Engineering & Consulting, a full-service Mechanical and Electrical Engineering Design Firm, announced the expansion of their CAD Department with the hiring of Mr. Robert Barton, Senior Mechanical Designer; Mr. Marcus Brand, M/E/P Designer; and Mrs. Jessica Barnes, Electrical CAD Operator.

Mr. Robert Barton, Senior Mechanical Designer, has more than 13 years of design experience. Mr. Barton has experience with on-site field observations to ensure construction compliance, as well as developing working drawings for the construction of commercial establishments. In addition to his extensive experience, Mr. Barton has experience designing systems with Revit® MEP software, and he is currently in the process of earning a degree in Construction Management.

Mr. Marcus Brand, M/E/P Designer, has more than 7 years of experience in the architectural design / drafting industry and has been involved in all aspects of design and coordination, including project management. Mr. Brand has extensive experience in the fields of high-rise tenant office design, residential home construction and commercial warehouse-store construction. In addition to his technical expertise, Mr. Brand is a creative and effective strategic planner with an excellent track record of solving design problems.

Mrs. Jessica Barnes, Electrical CAD Operator, is a recent graduate of the Associate of Applied Science, Computer Aided Design / Architectural Drafting program. Mrs. Barnes has been proactively working with designers and builders for more than 3 years. In addition to her technical knowledge, Mrs. Barnes has experience designing systems with Revit® MEP software. Coupled with her technical knowledge, Mrs. Barnes has management experience and possesses highly efficient leadership skills.
