FOR IMMEDIATE RELEASE
June 3, 2008

SHAFFER • BAUCOM ENGINEERING & CONSULTING EXPANDS TEAM

Lakewood, CO – Shaffer • Baucom Engineering & Consulting, a Mechanical and Electrical Engineering Design Firm, announced the expansion of their team with the hiring of Mr. Thomas Barwinski, Senior Electrical Engineer and Mr. Justin Clark, Electrical Engineer.

Mr. Barwinski, P.E., LEED AP, has more than nineteen years of consulting engineering experience. He has expertise in the design of electrical systems for a wide variety of project types including both public and private healthcare facilities, higher education facilities, k-12 facilities, professional sports stadiums, medical office buildings, data centers and assisted senior living facilities, with an emphasis in lighting. In addition to his design experience, Mr. Barwinski has extensive experience in project management for both prime and subconsultant projects. Mr. Barwinski is a LEED Accredited Professional currently registered as a Professional Electrical Engineer in Colorado.

Mr. Clark is a recent graduate of the Colorado School of Mines where he received his Bachelor of Science in Engineering, Specialty Electrical degree. In addition, Mr. Clark is actively pursuing his Bachelor of Science in Engineering, Specialty Mechanical degree, as well as his Master of Science degree in Energy Systems and Power Electronics. Mr. Clark has designed numerous projects for the U.S. Bureau of Alcohol, Tobacco and Firearms which involved extensive research, coordination and communication with the client. Mr. Clark is certified in AutoCAD Building Systems 2007 and brings to the SBEC team solid leadership, organizational and teamwork skills, as well as an energetic drive for high quality project completion.
