**SHAFFER • BAUCOM ENGINEERING & CONSULTING CELEBRATES END OF NON-SOLICIT**

Lakewood, CO – Shaffer • Baucom Engineering & Consulting, a full-service Mechanical and Electrical Engineering Design Firm, is pleased to announce that Mr. Tom Barwinski, P.E., Electrical Department Head's non-solicit has expired!

Since 2008, Mr. Barwinski has been busy serving as the Electrical Department Head and a Senior Electrical Engineer for SBEC with responsibilities including overseeing all of SBEC's Electrical Department daily in-house operations, in-house coordination and employee mentoring. Additionally, at SBEC, Mr. Barwinski continues to be involved in the design and construction of projects which is at the core of SBEC's mission – true Principal and Department Head involvement from design through construction.

With more than 21 years of experience in the consulting engineering business, Mr. Barwinski has expertise in the design of lighting, power, fire alarm and communication systems rough-in for institutional, industrial, federal and commercial clients with an emphasis in sustainable design and energy conservation. Additionally, he has more than 15 years of electrical code review experience. Mr. Barwinski's portfolio of work consists predominantly of data centers, healthcare, higher education, K-12, aerospace and industrial facilities.

Located in Lakewood, Colorado, SBEC is a full-service Mechanical, Electrical & Plumbing Engineering Design Firm specializing in the design of healthcare, higher education, K-12 education, aerospace, industrial, and science + technology facilities. SBEC was founded in 1998 to provide superior engineering and consulting services to institutional, industrial, federal and commercial clients. More than 75% of our engineers are LEED® Accredited Professionals.
